You will locate Namaqualand in the north western corner of the Northern Cape Province. Namaqualand is a wonderland that is extremely dry during summer, however the visitor is rewarded with a most magnificent display of flowers when the rainy season revives the well known variety of plants indigenous to this region that we are so proud of.

We provide the ideal stopover to the traveller on his way to: Namaqualand, Goegap & Skilpad Nature Reserve, Richtersveld, West Coast, Namibia, Ai-Ais, Fish River Canyon, Orange River, Kalahari Gemsbok Park and Augrabies Falls.

Distance in kilometers from Springbok to:
